The New Humanities Reader
The New Humanities Reader
The Humanities Department at LaGuardia Community College nurtures the creativity and fierce independence of our students through courses that encourage you to interpret the world through unconventional lenses, and never blindly accept the status quo. Your curiosity and our stellar faculty are a perfect match to develop your talents.

Chair of Department: - LaGuardia Community College
Digital humanities (DH) is an area of scholarly activity at the intersection of computing or digital technologies and the disciplines of the humanities. It includes the systematic use of digital resources in the humanities, as well as the reflection on their application. DH can be defined as new ways of doing scholarship that involve collaborative, transdisciplinary, and computationally engaged ...

Academic Majors | LaGuardia Community College, New York
Welcome to Humanities. As education becomes ever more focused on professional degrees and vocational training, employers increasingly report that what they seek is not necessarily more specialized degrees but rather people who can think, who can synthesize, who can analyze, and who can apply a broad base of thought to a wide variety of areas.

Like other liberal arts majors, a major in humanities offers a solid base of critical thinking on which to build a career or further study. This major will broaden your understanding of yourself and your interaction with the world and provide a perspective on cultural and intellectual heritage while offering tools to use that knowledge in the real world.

The Digital Humanities Summer Institute at the University of Victoria provides an ideal environment for discussing and learning about new computing technologies and how they are influencing teaching, research, dissemination, and preservation in different disciplines.
DHSI | Digital Humanities Summer Institute
Long before his death in 1972, much of his life had turned into farce. From 1946 to 1955, for example, he didn’t pay his income tax—almost certainly from procrastination and financial incompetence, though in 1963 he published an unreadable volume called The Cold War and the Income Tax: A Protest that purported to find a high moral justification for it all.

Who Was Edmund Wilson? | National Endowment for the ... University Recognizes 2018 Staff Awards of Excellence Winners. Penny Roebuck White, academic adviser in the College of Arts and Humanities, received the Student Success Award for “creating and supporting an environment of teaching and learning that assists in the recruitment, transition, retention, and graduation of students.”

College of Arts and Humanities
Digital Humanities involves the application of digital methods and techniques to Humanities research. The Digital Humanities Research Group (DHRG) is therefore broadly concerned with mediating between computing and humanities, and between technical and non-technical disciplines.

Welcome | Western Sydney University
Within several decades of the earliest coastal explorations of North America, European adventurers headed into the interior. "Adventurers" is the fitting word here, for more cautious men would have balked at heading into such vast unknowns.
